

## Price Announcement

Re: Price Increase

Dear Valued Customer,

Due to the steady rises in our cost of raw materials we are forced to adjust our prices for the following product lines with the approximate percentage increase:

Brass Nipples: +7.82%

Imported Bronze Threaded Fittings: +8.4%

All net priced items (including Barstock Fittings) will also increase on March 15<sup>th</sup> 2010.

Prices for special fabricated products, such as syphons, all-thread nipples, tank nipples, chrome plated nipples, metric thread nipples, copper-nickel nipples, etc. will also be subject to the March 15<sup>th</sup> 2010 price increase; please call for your updated pricing.

We will not be sending new printed price sheets, but the new list price sheets will be available shortly on our website: [www.TrentonPipe.com](http://www.TrentonPipe.com).

This price increase will go into effect on March 15<sup>th</sup> 2010. All discount multipliers remain unchanged. All orders entered prior to March 15<sup>th</sup> 2010 and released for immediate shipment will be invoiced at the old price.

If you have any questions please call our office.

Our commitment to service will never change!!!
